Каменский пруд

The site plan shows a central blue pond (Каменский пруд) with a dark grey path network. To the left is a green area with yellow circles representing trees. A blue hatched area is adjacent to the pond. To the right is a blue area with green and orange patches. The plan is bounded by ул. Парковая to the north and ул. Советская to the east. Inset photos show: a classical building, a snowy path, a park with trees, a fenced area, a courtyard with tables, a tree-lined path, a street at night, a sunset path, and a playground.
